

Zayn Malik, Still Got Time (ft. PartyNextDoor)

Just stop looking for love
Girl, you know, you still got time /2x
Girl, you know you still got
You still got time
Girl, you know, you still got time /2x

This could be something if you let it be something
Don't scare me away
Turning something's into nothing, babe
You're already used to the games, babe
You play your role and I play the same

Come give it to me /2x
Play by play
I could tell you've been bored all day
Coz you're young and you still got time
Don't waste your time
We been wasting away
And no matter what you say
That smile gonna take you places
And I know you wanna see some faces

Just stop looking for love
Girl, you know, you still got time /2x
Girl, you know you still got
You still got time
Girl, you know, you still got time /2x

I know I'm working my magic
And I know you digging my fabric
I'm boyfriend material
You said it yourself you digging me
And I'd be lying if I said it wasn't equally
A feeling that we both feel
Something that is so real
But I got to let you know slowly
Wee, it may be truthfully
But you just gotta stop looking for it

Come give it to me /2x
Play by play
I could tell you've been bored all day
Coz you're young and you still got time
Don't waste your time
We been wasting away
And no matter what you say
That smile gonna take you places
And I know you wanna see some faces

Just stop looking for love
Girl, you know, you still got time /2x
Girl, you know you still got
You still got time
Girl, you know, you still got time /2x

This could be something
This could be
/3x

If you let it be something
Right now I wanna see you

Come give it to me /2x
Play by play

I could tell you've been bored all day
Coz you're young and you still got time
Don't waste your time
We been wasting away
And no matter what you say
That smile gonna take you places
And I know you wanna see some faces

Just stop looking for love
Girl, you know, you still got time /2x
Girl, you know you still got
You still got time
Girl, you know, you still got time /2x
