

# Zebra, Don't Walk Away

I don't know why you keep lying  
about your sanity  
Always keep on fighting 'til the end  
And I can't stop you from shining  
up your vanity

Never taking chances to pretend

Chorus:

We get one chance to sip the wine  
And life don't come on borrowed time  
He just cries with no reply  
If we only knew just what it takes  
To leave the others making their mistakes  
If you care to say that life ain't  
worth it anyway

Beze's gonna grab you in the end  
If you see a fool in memories that  
belie the rule

Always take the chances to pretend  
I heard the voices of the people as  
they started praying

I heard them singing songs of laughter  
as they started saying

Well don't walk away

I heard the voices of the people as  
they started praying

I heard them singing songs of laughter  
as they started saying

Well I know why you have lied  
about your vanity

Always, never fighting till the end  
And I can't stop you trying to save  
your sanity

Heaven will protect us in the end

Chorus:

We get one chance to sip the wine  
And life doesn't come on borrowed time  
He just cries with no reply

If we only knew just what it takes

To leave the others making their mistakes
