

Zebra, Hard Living Without You

Nothing to say no place to hide
I can't find a good reason even to lie
All of our dreams are gone
I may not be right but I'm surely not wrong
And it's gonna be hard
So very, very hard living without you
Well don't you know that it's
Hard living without you
Nowhere to go, no place to run
We started out just having fun
Well, I never cared too much
Not till the going got so very rough
And it's gonna be hard
So very, very hard living without you
Don't you know that it's
Hard living without you
Don't you know that it's
Hard living without you
Well, don't you know that it's
Hard living without you
Baby don't you know that it's
Hard living without you
Don't you know that it's
Hard living without you
Well, don't you know that it's
Hard living without you
Baby don't you know that it's
Hard living without you
Don't you know that it's
