

Zebra, Slow Down

Well come on pretty baby won't you walk with me
Come on pretty baby won't you talk with me
Come on pretty baby give me one more chance
Try to save our romance

Chorus:

Slow down

Baby now you're moving way too fast

You've got to give me a little lovin'

Five me a little lovin'

If you want our love to last

Well I tried to take you home baby after school

Carry your books home too

I need your lovin' baby oh so fast

The best little woman I ever had

Chorus:

Slow down

Baby now you're moving way too fast

You've got to give me a little lovin'

give me a little lovin'

If you want our love to last

Knock me down

Step on my face

Slander my name all over the place

Do anything that you want to do

What the hell you tryin' to do

Chorus:

Slow down

Baby now you're moving way too fast

You've got to give me a little lovin'

give me a little lovin'

If you want our love to last.....

(just rappin' and rollin')
