

# Zebrahead, I Hate Christmas

(Intro)

Christmas comes just once a year (I got a baby doll)  
With all its yuletide joy and cheer (I got a football)  
But theres one thing I'd like to say  
Is that I hate Christmas day (I got a rock!)

Its time for everybody to have a christmas party.  
Everyone but me I'll step outside  
Boycott your office party.  
No secret Santa for me.  
Mistletoe makes me sneeze anyway.  
Cos I don't wanna go, where happy days are snow  
I'd rather stay where  
Frosty melts in the sun.  
July 4 parade.  
A Lynchburg lemonade.  
An alcohol-a-day by the pool in the sun (now everybody sing).

(Chorus)

Deck the halls with bells of holly  
'Tis the season to be jolly but,  
I hate Christmas  
I'm glad it only comes one time a year

Its time for everybody to head out Christmas shopping.  
Everyone but me I'll stay inside.  
No presents under your tree that have a nametag for me.  
And it makes my gifts so easy to hide  
I don't wanna go where shopping lines are slow.  
I rather stay at home with the frosty cold one.  
A bud on ice in may, a lazy summer day.  
An alcohol-a-day by the pool in the sun (now everybody sing) .

(Chorus)

Deck the halls with bells of holly  
'Tis the season to be jolly but,  
I hate Christmas  
I'm glad it only comes one time a year

(Rap)

It was the night before Christmas and all through the house,  
All the creatures was chillin like Flint drinkin stout.  
I woke from my sleep, heard 'here comes the boom'.  
I knew that Santa would be comin' soon.  
On Dascher on Donner, Commit, on Blitzen.  
I yelled 'shut up ya'll,' but they wouldn't listen.  
And then he came down with his belly of jello.  
He says, 'where the ladies at cuz I'm a real jolly fellow.'  
Then he gave me a wink and was quick out of sight.  
Merry Christmas to all, and to all a super deeky duper fly night.

(Chorus)

(now everyone - sing)  
Deck the halls with bells of holly  
'Tis the season to be jolly but,  
I hate Christmas  
I'm glad it only comes one time a year (one more time, like you mean it)

(Chorus)

Deck the halls with bells of holly  
'Tis the season to be jolly but,  
I hate Christmas  
I'm glad it only comes one time a year  
Cos I hate Christmas I'm glad it only comes one time a year

Cos I hate Christmas I'm glad it only comes one time a year
