

# Zebrahead, One More Hit

I'm a caged rat running in a fucking wheel  
Can't deal with what I feel for my jeep and I steal  
Pants all saggin' and I look like a picture?  
Got no ? just a regular ?  
I got no...job but i still survive  
steal a couple dollars just to get me high  
Needle in my arm so I could fly  
Don't care bout life but i don't wanna die  
YEA!  
ONE MORE HIT!  
ONE MORE HIT!  
ONE MORE HIIIT!!!
