

Zebrahead, Wannabe

Yo, I'll tell ya what I want, what I really really want

So tell me what ya what, what ya really really want

I'll tell ya what I want, what I really really want

So tell me what ya what, what ya really really want

I wanna (hah) I wanna (hah) I wanna (hah) I wanna (hah) I wanna

Really really want is a Zebrahead jam

If you want my future, forget my past

If you wanna get with me better make it fast

Now don't go wasting my precious time

Get your act together and we'll be just fine

Yo, I'll tell ya what I want, what I really really want

So tell me what ya what, what ya really really want

I wanna (hah) I wanna (hah) I wanna (hah) I wanna (hah) I wanna

Really really want is to get get down

If you wanna be my lover, you gotta get with my friends

Make it last forever, friendship never ends

If you wanna be my lover, you have got to give

Takin' is so easy and that's the way it is

Whatcha think about that?

Now you know how I feel

Say you can handle my love, are you for real? (are you for real?)

I won't be hasty, give you a try

If you really want me than I'll say goodbye

Yo, I'll tell ya what I want, what I really really want

So tell me what ya what, what ya really really want

I wanna (hah) I wanna (hah) I wanna (hah) I wanna (hah) I wanna

Really really want is to get with you

If you wanna be my lover (yeah), you gotta get with my friends

Make it last forever, friendship never ends

If you wanna be my lover, you have got to give
Takin' is so easy and that's the way it is

Here's a little story from Z to D

If ya wanna get with me ya gotta listen carefully
We got tooof in the house, who's hung like a mouse
O.G. wannabes that try to hang with me
But G don't play for free, he plays for the sensi
And to the critics.....eat me

Slam your body down and wind it all around
Slam your body down and wind it all around

If you wanna be my lover, you gotta get with my friends
Make it last forever, friendship never ends
If you wanna be my lover, you have got to give
Takin' is so easy and that's the way it is

If you wanna be my lover
You gotta, you gotta, you gotta, you gotta, you gotta
Make it last forever
Slam, slam, slam
Slam your body down and wind it all around
Slam your body down and wind it all around
S to the L to the A to the M
Slam your body down and wind it all around
Slam your body down with the Zebrahead, yeah!
