

Zebrahead, You Can't Bring Me Down

(Ali:) Tear The Set Down!
Got Nothin To Lose
Got Nothin To Prove
Got Nothin To Say
But You Better Not Get In My Way
?? You Know That You Got It
And If You Wanna Fight
You Gotta Fight If You Want It
And If You Wanna Rock
I Won't Stop Cuz I Want It
You-Can't-Bring-Me...
Down And Out
Your Head Will Be Spinnin
Down And Out
Your Mind Will Be Ringin
Down And Out
The Girls Will Be Screamin
You Can't Bring Me
(Chorus)
You Can't Bring Me Down
I Can Wrap Around, Again
Take My Bow, You Can Never Bring Me Down
(You Can't)
You Can't Bring Me Down
I Can Wrap Around, Again
Take My Bow, You Can Never Bring Me Down
(End Chorus)
Got Nothin To Lose
Got Nothin To Prove
Got Nothin To Say
But You Better Not Get In My Way
??
You Know That You Got It
And If You Wanna Fight
You Gotta Fight If You Want It
And If You Wanna Rock
I Won't Stop Cuz I Want It
You-Can't-Bring-Me...
Down And Out
Your Head Will Be Spinnin
Down And Out
Your Mind Will Be Ringin
Down And Out
The Girls Will Be Screamin
You Can't Bring Me
You Can't Bring Me Down
I Can Wrap Around, Again
Take My Bow, You Can Never Bring Me Down
(You Can't)
You Can't Bring Me Down
I Can Wrap Around, Again
Take My Bow, You Can Never Bring Me Down
Down And Out
Your Head Will Be Spinnin
Down And Out
Your Mind Will Be Ringin
Down And Out
The Girls Will Be Screamin
Yea, You Can't Bring Me
You Can't Bring Me Down
I Can Wrap Around, Again
Take My Bow, You Can Never Bring Me Down
(You Can't)
You Can't Bring Me Down

I Can Wrap Around, Again
Take My Bow, You Can Never Bring Me Down
(You Can't)
