

# Zed, Bleeding on the radio

I see the feeling flashing and eye  
Awake the frequency of your life  
Put back what you take  
Make up what you break  
Or watch the tv burn the sky  
Bleeeeeeding on the radio  
Bleeeeeeding on the radio  
Dont you ever take it

No

Now im bleeding on the radio  
I need a vision to run away  
From htis world we live in today  
Put back what you take  
Make up what you break  
Or watch the tv burn the sky  
Bleeeeeeding on the radio  
Bleeeeeeding on the radio  
Dont you ever take it

No

Now im bleeding on the radio

Pull the lever

Fight forever

Dynamite a hole in the sky

Humming on you

Comming on through

Over in the flash of an eye

Dont you ever close your eyes

Coz it gets you every time

Waking up to make a sign

On the Radio Yeah

Bleeeeeeding on the radio

Bleeeeeeding on the radio

Bleeeeeeding on the radio

Dont you speak your mind

Bleeeeeeding on the radio

Bleeeeeeding on the radiooooo

The radio

Bleeding on the radio

Bleeeeeeding on the radio

Bleeeeeeding on the radio

Bleeeeeeding on the radio
