

Zed, Firefly

I'm burning just the same
Yeah, just the same as you
Look into the flame to find that I'm burning too
The story unfolds
Without any words
You're burning over
Fading under
Where you're goin'
I don't know
Burn like a firefly
Fading into the night
Burn like a firefly
Something that's in my eye
Burn like a firefly
Dyin' to save your life
I'm fading just the same
Yeah, just the same as you
(I'm fading just the same as you)
Washing you away
With words that you say
You're burning over
Fading under
Where you're goin'
I don't know
Burn like a firefly
Fading into the night
Burn like a firefly
Something that's in my eye
Burn like a firefly
Dyin' to save your life
(let it burn, let it burn, let it burn, let it burn on me . . .)
I've been thinking
There's something in the air
Burn like a firefly
Fading into the night
Burn like a firefly
Something that's in my eye
Burn like a firefly
Dyin' to save your life
