## Zed, I'm cold

I've been waiting for years now, or so it seems I've been waiting for word to come down on what's up I've been rolling over trying to get some sleep But the night is cold and someone's taken my bed And I'm cold More than you'll ever know Yeah I'm cold Or so I'm told I've been waiting for someone to ease my pain I've been waiting for someone you can't see I've been rolling over for years now, or so it seems But I ain't got a handle on who's upstairs And I'm cold More than you'll ever know Yeah I'm cóld Or so I'm told
