

Zed, Renegade fighter

Can I walk here beside you, can I speak your name

Can I just be here

Can I speak in anger, can I speak in shame

Can I just be here

I'm a lover, I'm a winner, I'm a fighter

Gonna set your soul on fire

I'm a lover, I'm a Renegade Fighter

Gonna set your soul on fire

I'm a lover, I'm a sinner, I'm a fighter

Gonna set your soul on fire

I'm a lover, I'm a Renegade Fighter

Gonna set your soul on fire

Can I sit in silence, can I speak your name

Can I just be here

Can you find the pieces that I can rearrange

Can I just be here

I'm a lover, I'm a winner, I'm a fighter

Gonna set your soul on fire

I'm a lover, I'm a Renegade Fighter

Gonna set your soul on fire

I'm a lover, I'm a sinner, I'm a fighter

Gonna set your soul on fire

I'm a lover, I'm a Renegade Fighter

Gonna set your soul on fire

Now that its clear you don't have to worry at all

Now that its clear you can do what you like, and
