

# Zedd, Spectrum (feat. Matthew Koma)

Breathing you in when I want you out  
Finding our truth in a hope of doubt  
Lying inside our quiet drama

Wearing your heart like a stolen dream  
Opening skies with your broken keys  
No one can blind us any longer

We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go

We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go

Breathing you in when I want you out  
Finding our truth in a hope of doubt  
Lying inside our quiet drama

Breathing you in when I want you out  
Finding our truth in a hope of doubt  
Lying inside our quiet drama

Wearing your heart like a stolen dream  
Opening skies with your broken keys  
No one can blind us any longer

We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go
