

Zelest, Two Polar Extremes

Fear and Love

Two polar extremes

Fear is in the negative energy spectrum

And love is in the positive energy spectrum

You can't just lump things into these two categories life is not that simple

Well life isn't that simple.

Who cares if Ling-Ling if takes the wallet or keeps the money has nothing to do with either fear and

There are other things that needs to be taken into account here.

Like, the whole spectrum of human emotion.

You can't just lump things into these two categories and just deny anything else!

If you don't complete the assignment you get a zero for the day.

What exactly did you say to miss Farmer?

What exactly did you say to miss Farmer?

I'll tell you what he said!

He asked me to forcively insert the life-line exercise card into my anus!

What exactly did you say to miss Farmer?

He asked me to forcively insert the life-line exercise card into my anus!

Fear and love

Two polar extremes

And love is in the positive energy spectrum.
