

Zendaya, I'm Back

Oh! Oh!
Yo! It's like my world premiere
Every step I take has never been so clear
Every move I make, I feel the whole earthquake
And I'mma shake, and shake, and shake, and make no mistake

You gotta get up, get up, get up
To get down, like
Get up, get up, get up
To get dow-

Get up, get up, get up
To get down, like
Get up, get up, get up
To get dow-

I'm back!
And I'm rockin' the club
Everybody looking at me better
Show me some love

I'm back!
Feeling better than best
With a million new moves
'Cause the beat is so fresh

I'm back!
How you like me now?
Feeling like I'm sitting
On a hundred thou

I'm back!
At the top of my game!
Dance for my life
And that ain't gonna change

Yeah,
Yo! This is my grand finale
'Cause I'm rocking everywhere from Manhattan to Cali
Yeah, I'm on my game, just not forget my name
Baby, shake it, shake it, shake it 'till we break the frame

You gotta get up, get up, get up
To get down, like
Get up, get up, get up
To get dow-

Get up, get up, get up
To get down, like
Get up, get up, get up
To get dow-

I'm back!
And I'm rockin' the club
Everybody looking at me better
Show me some love

I'm back!
Feeling better than best
With a million new moves
'Cause the beat is so fresh

I'm back!
How you like me now?

Feeling like I'm sitting
On a hundred thou

I'm back!
At the top of my game!
Dance for my life
And that ain't gonna change

You gotta get up, get up, get up
To get down, like
Get up, get up, get up
To get dow-

Get up, get up, get up
To get down, like
Get up, get up, get up
To get dow-

I'm back!
And I'm rockin' the club
Everybody looking at me better
Show me some love

I'm back!
Feeling better than best
With a million new moves
'Cause the beat is so fresh

I'm back!
How you like me now?
Feeling like I'm sitting
On a hundred thou

I'm back!
At the top of my game!
Dance for my life
And that ain't gonna change

Haha...
Oh! Oh! Oh!
That's a wrap!
