

# Zendaya, Replay

Make it stop so, so good I just can take no more  
Turn it up, turn it down I don't know  
I don't know, but don't stop, don't move just keep it there  
Right there, keep it right there, right there,

What you want repeat, play every where I go, every way I go,  
Replay every way I go  
What you want repeat, play every where I go, every way I go,  
Replay every way I go

Wanna put this on play  
I can listen to you all day, all day yeah  
Wanna put this song on play; we can start all over again and again  
Wanna put this

Don't stop, poop, turn it up, turn it down  
Make it louder, I don't wanna miss a single thing  
I wanna hear all the melody  
Beat it; it is so loud you can hear it  
Beat it,

What you want repeat, replay every where I go, every way I go,  
Replay every way I go  
What you want repeat, play every where I go, every way I go,  
Replay every way I go

Wanna put this on replay  
I can listen to you all day, all day yeah  
Wanna put this song on replay; we can start all over again and again yeah  
Wanna put this song on replay

You get off, a little crashing down  
I'm so lost, I'm so lost form my self  
Yeah, on replay, on replay  
Listen to you all day

Wanna put this on replay  
I can listen to you all day, all day yeah  
Wanna put this song on replay; we can start all over again and again yeah  
Wanna put this song on replay

Wanna put this on replay  
I can listen to you all day, all day yeah  
Wanna put this song on replay; we can start all over again and again yeah  
Wanna put this song on replay yeah
