

# Zeni Geva, Hate Trader

No way to choose pain or desire

You're (misspelled as "Your're" in CD liner notes) a slave of hate

No way to escape

Repeating brainwashes and holocausts endlessly

Hate trader is in yourself !!

No way to choose obedience or despair

You're (misspelled as "Your're" in CD liner notes) an animal of hate

No way to survive

Repeating evil genes again and again

Hate trader is in yourself !!
