

# Zero, Tribute

This one's to my fans and friends,  
who stuck from the beginning,  
much love,  
and I show it through the pad and the pen  
eh!

It's your boy Zero  
getting at you in on this one  
I'm putting out casts to give congrats t

By the way  
I recive all the fan and e mail  
through hard times  
these are some of the things that keep me well

As far as  
Autographs I dish 'em out from dusk till dawn  
even past aches  
and cramps in my palm

Eh!  
I do it for you  
out of the love  
It's nothing to me  
Naturally  
you got it (uh-huh)  
Same old Z  
what I am  
I'm not spotted on the tube of Bill Cosby  
Cuz what I said what the darndest  
Now I'm older doing movies, videos ,and albums  
Love is love, from your boy, your friend, Khleo Thomas

This one's to my fans  
much love  
no thought  
It's all between you and I

This one's to my fans  
A few words is what it's worth  
and it's all scripted in the verse.
