

Zeromancer, Blood Music

Lowlifes on gossip
Bypass the mind
Head for the heart

Do you feel love?

Its not like I dont care
We are not going anywhere
Thinking loud and clear
Where will I be in a year?
Two hearts slamming
As one
Its Blood music

Pop up leeches
You know a climax
ain't the end of it

Do you feel love?

Its not like I dont care
We are not going to anywhere
Thinking loud and clear
Where will I be in a year?
Come on
Two hearts slamming
As one
Its blood music
