

Zeromancer, Doppelganger I Love You

How can I save you
When I can't even save myself
Oh, you want me
A number of different ways

Feel me Fuck me
Hurt me Love me
Hate me Save me
Kill me

Feel me Fuck me
Hurt me Love me
Hate me Save me
Kill me

Doppelganger I love you
My pain is your pain
Your veins are my veins
Your chains are my chains, too

How can I save you
When I can't even save myself
Now you want your own
Sick requiem
Cry on cue
Oh, you want to

Feel me Fuck me
Hurt me Love me
Hate me Save me
Kill me

Feel me Fuck me
Hurt me Love me
Hate me Save me
Kill me

Doppelganger I love you
My pain is your pain
Your veins are my veins
Your chains are my chains, too

Doppelganger I love you
My pain is your pain
Your veins are my veins
Your chains are my chains, too

How can I save you
When I can't even save myself
How can I save you
When I can't even save myself

Doppelganger I love you
My pain is your pain
Your veins are my veins
Your chains are my chains, too

Doppelganger I love you
My pain is your pain
Your veins are my veins
Your chains are my chains, too
