

# Zeromancer, Feed You With A Kiss

Am I the queen up your sleeve  
When you got no ace  
Am I a slap in your face  
Am I the boy in your bed  
When you're feeling down  
Am I your living dead

Would you die for me

It doesn't have to be like this  
No!  
Feed you with a kiss  
Oh no!  
It doesn't have to be like this  
No!  
Feed you with a kiss

Am I the queen up your sleeve  
When you got no ace  
Am I a slap in your face  
Am I a thought in your head  
That I keep away from you  
Cause it frightens me

But you  
Gotta step away from it  
Step away from all of it  
Gotta step away from it  
Step away from all of this shit
