

# Zeromancer, My Little Tragedy

My sin is treachery  
I say one thing and do another  
That's cause I'm dying

With your tyranny  
deep inside of me  
Put yourself in my place  
and feel what I feel

I'm in too deep with you  
My little tragedy  
I'm in too deep with you  
My little tragedy

With you slavery  
you on top of me  
With your nails in my face  
Scratching bleeding

I'm in too deep with you  
and all you do  
Is fucking hurt me

I'm in too deep with you  
My little tragedy

I'm in too deep with you  
I'm falling like a stone  
into water  
And when you learn to swim  
You want to pick me up again  
I'll be gone  
Driven to sea

oh oh oh oh

I'm in too deep with you  
My little tragedy  
I'm in too deep with you  
My little tragedy
