

# Zeromancer, Plasmatic

Eat my soul  
From a silver spoon  
Whoa whoa whoa whoa  
Think I need some of that  
Breathing room  
Whoa whoa whoa whoa  
Do you hear  
The ringing in my ear  
Whoa whoa whoa whoa  
Am I the only one  
Who can make myself  
Disappear

Plasmatic  
What is wrong when your  
Ego is a rose in bloom  
Plasmatic  
All I know is my ego  
is a room without a view

Fed up of repeating myself  
Whoa whoa whoa whoa  
You are looking for something I haven't got  
Whoa whoa whoa whoa  
Fed ex dreams when things are too slow  
Whoa whoa whoa whoa  
Only let you know what you need to know  
Whoa whoa whoa whoa

Plasmatic  
What is wrong when your  
Ego is a rose in bloom  
Plasmatic  
All I know is my ego  
is a room without a view

Now now now  
is the time time time  
Now now now  
is the time time time  
For you and me  
Now now now  
is the time time time  
For you and me  
Now now now  
is the time time time

Plasmatic  
What is wrong when your  
Ego is a rose in bloom  
Plasmatic  
All I know is my ego  
is a room without a view
