

Zetta Bytes, As Long As There's Christmas

Don't look inside a stocking
Don't look under the tree
The one thing we're looking for
Is something we can't see
Far more precious than silver
And more splendid than gold
Is something to treasure
But is something we can't hold

As long as there's Christmas
I truly believe
That hope is the greatest of the gifts
We'll receive (we'll receive)

As we all pray together
It's the time to rejoice
And though we may look different
We are singing with one voice

As Long As there's Christmas
I truly believe

That hope is the greatest of the gifts
We'll receive

There is more (so much more)
To this time of year (to this time of year)
Than sleigh bells than holly
Mistletoes and snow
Those things will come and go
Come and go

As long as there is Christmas
I truly do believe that
Hope is the greatest of the gifts
We will receive (we'll receive)

As Long As there's Christmas
I truly believe (I truly believe)
That hope is the greatest of the gifts
We'll receive

That Hope Is the Greatest gift we'll receive!
