

ZgRaNa PaKa, You And Prona

day fetilval my
but you late no like their
go prep barium
You drink beer
And say " evil proceed "
REF.You had chances three
You have wasted shoe it
you and prona
We have fallen in love on three days
And you have wasted this memorable three
Though I know but shelter
Walk fall in love pron and pron
One more time x2
I love you bitter tears of
Warm mouths
You had chances three.....
But idea mum
On our love regulation
You know shoe on memory him
And But somewhere it shelter in account
Somewhere in account
You had chances three.....
You have invited me prep opola
But there hits of red guitars
Weep think " and but it pleases it "
But I begin from all most loudly klaskać
You place me on knees
My hands holding and you beat applauses
