

Zhatine Oredacsep, Believe

Hmm....oohhh....

Would you believe that I could be with you everyday
Cause whenever you enter the door
I always see the love in your eyes
I always know I can be yours

(chorus)

If only you believe in miracles
Everything can happen so happily that you can do anything you want to do
If only you believe in magic
I could tell you the truth
That everything can change if you believe
Believe...in me

Would you believe that I don't need anything
Just your heart, just your love and your soul
You know you could see love in my eyes
You should know that you can be mine

(repeat chorus)

(Bridge:)

At night I pray that you could be the one for me
I just tell you that I love you forever
If you believe..If you believe....oohhhhh

(repeat chorus twice)
