

ZHU, In the Morning

I only call when I'm alone /4x

Touch me in the morning
I'll tell you where your morning may be
There's something in this water
So drink it till you fallin' from me
Touch me in the morning
I'll tell you where your morning may be
There's something in this water
So drink it till you fallin' from me

Touch me in the morning,
Touch me in the morning,
Baby

I only call when I'm alone /4x

Touch me in the morning,
Touch me in the morning,
I'll tell you where your morning may be
There's something in this water
So drink it till you fallin' from me
Touch me in the morning
I'll tell you where your morning may be
There's something in this water
So drink it till you fallin' from me

Touch me in the /4x
