

# ZieZie, Blessed

Yeah, it's just you and me  
Ouais, c'est toi et moi  
Blessings come and go (young gotcha on the beat)  
But I stay blessed 'cause you're the one  
Say cooler ice in my Maggy  
She get nasty when she hit that run  
Party to the sundown, Cally, bring the front round  
High and not the only one  
'Cause you're the one, 'cause you're the one (yeah)

Now bad man up in all the London city  
Fine go pop so the same go with me  
Now the bag girls tryna get a taste of the killy  
Move back, life's good, no jiggy-jiggy  
From the wild, wild west, west London  
No other address knows what's on  
I'm from the southside, blessed, but respect pon man
