

ZieZie, Different

(Yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah)

Yeah man, I'm different
Man I keep my distance
People love to talk but I don't really listen
Sleepless nights, 'cause I work too much
Curve bare gyal, 'cause my girl shows love

Yeah man, I'm different
Man I keep my distance
People love to talk but I don't really listen
Sleepless nights, 'cause I work too much
Curve bare gyal, 'cause my girl shows love

People show love when the times right
Want a piece of the limelight
Gotta hold it down, rolling round, blessed
Couldn't stop a nigga
Man I say that with my chest
Gotta be the best, better than the rest
When I'm in the studio, man I mash work
Cooking bangers like it's light work
It's nothin' new but the right work

Yeah man, I'm different
Man I keep my distance
People love to talk but I don't really listen
Sleepless nights, 'cause I work too much
Curve bare gyal, 'cause my girl shows love

Yeah man, I'm different
Man I keep my distance
People love to talk but I don't really listen
Sleepless nights, 'cause I work too much
Curve bare gyal, 'cause my girl shows love

Yeah man, I'm different

(Yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah)

People look at me like, who are you?
Unknown to you
But to you, I'm that guy
Allons-y chérie on part où?
Listen to me quand je parler
What goes around, comes around
That's karma
Staying on my grind
No drama
People get you heated like lava
So I got blow, let the riddim go

Yeah man, I'm different
Man I keep my distance
People love to talk but I don't really listen
Sleepless nights, 'cause I work too much
Curve bare gyal, 'cause my girl shows love

Yeah man, I'm different
Man I keep my distance
People love to talk but I don't really listen
Sleepless nights, 'cause I work too much
Curve bare gyal, 'cause my girl shows love

Yeah man, I'm different

Yeah man, I'm different
(Yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah)
