Know you want some of these french kisses (Mwah)
I'ma make her say ooh-la-la
When I give you them french kisses
What we do is none of your friend's business
Know you want some of these french kisses (Mwah)
I'ma make you say ooh-la-la
When I give you the

Bonjour mademoiselle

Elle s'appelle Isabella
Vous êtes vraiment belle
Hold up who's your friend
Is she looking for a friend now
Sure you got a man
Now she callin' up her man
Then she kick it with the gang
Little hottie from the ends
Come jump into the Benz
And don't forget your friends, oh

I got bad intentions, I can't lie
But I could tell you want it just by looking in your eyes

French kisses

Where you tryna go girl, c'est où qu'tu pars ?
She just told me, "Show me what you do, papa"
I'ma make you say ooh-la-la, ooh-la-la
Step inside, put your friends on the guest list
Nice with the tongue, pull her hair when we french kiss
Slide off her phone, make her moan like she meant it
She fuck with the kid way before I was trending
She classy but secretly kinda freaky
This one a good girl, she ain't on me for clout
Getting nasty in the taxi, we ain't even made it home
Didn't even have to say a word, just put my tongue in her mouth
