

ZieZie, Persian

Oh, I got the sauce
Oh, I got the sauce
Oh, I got the sauce
Oh, I got the sauce

Take note, I'm so fly like Aladdin
Man are spit fire like a dragon, yeah
My gal so fine, they got to pattern her
Sorry, little nigga, better pattern up
Side man, he don't make no difference
Man are go full, man are stretch it
Only real G's in my section
I need stacks on stacks, please pending
My flow is so wavy like river
Wanna open her legs, take it thinner, yeah
She said she in love with the coco
Latina, little spice, man, she loco

Wanna hit the belly, hit the jackpot (Jackpot)
Feeling like a nigga won the lotto but
Man, no flex but I work hard
If man take hoes, man are let now

Oh, I got the sauce
Step up in this here like I'm the boss
Might pull up in a whip that's German
Three girl in the back, one Persian
Oh, I got the sauce
Step up in this here like I'm the boss
Might pull up in a whip that's German
Three girl in the back, one Persian

We rolling, we riding
In the foreign, we vibing
We rolling, we riding
In the foreign, we vibing

Three girl in the back, one Persian
Baby, will you unstop curving
I know you want a man like me, nah nah
Want a brother with his swag on fleek
She got me tip tip toeing in my Jordans
I'm rolling with that spice, my man, she smokin'
She posing for the snap, say cheese now now
Now, baby, back it up on me
Back in the wave, now we ghosting
Loving the vibe, I'm that nigga
'Mr. Lover', 'Mr. Take-Your-Princess'
Thought that was your girl
Now she showing interest

Wanna hit the belly, hit the jackpot (Jackpot)
Feeling like a nigga won the lotto but
Man, no flex but I work hard
If man take hoes, man are let now
