

# Ziggy Marley, Brothers And Sisters

I am my moma sun  
you are your father's child  
sometimes we fate as if we hate each other  
A diferent fate, a diferent state of mind  
That don't mean we all can't be satisfite  
WE ARE ALL BROTHERS AND SISTERS (2X)  
Some are black and brown  
others with and light  
That's all the difference I can remember  
Different face, different kind of smile  
That's what we see but this's we must realize  
WE ARE ALL BROTHERS AND SISTERS (2X)  
Earth is my mother, that is no other  
so for you, so for all of us

....  
in time mankind was born  
so for you, so for all of I  
Love must live HATE MUST DIE  
..... don't you be so blind  
WE ARE ALL BROTHERS AND SISTERS (2X)

I am no stranger in your town  
rasta seed is all around  
So when you're looking at me  
don't think I am your enemy  
(start over...)  
BROTHERS AND SISTERS, WE ARE ALL...
