

Ziggy Marley, Raw Riddim

Hop bop but don't call the cop
My sound still in the musical top, relax

Come on in, the gate is wide and open
Don't be afraid, we're not as bad as they say
Do you, do you, do what you got to do
Do you, do you, do what you got to do
Do you, do you, do what you got to do
Do you, do you

We're having fun down in the ghetto
We're having fun down in the ghetto
We're having fun down in the ghetto
We're having fun down in the ghetto

chorus:

When will the innocent stop being
Punished for their innocence
When will the innocent stop being
Punished for their innocence
When will the innocent stop being
Punished for their innocence
When will the innocent stop being
Punished for their innocence

Come on in, the gate is wide and open
Don't be afraid, we're not as bad as they say
Do you, do you, do what you got to do
Do you, do you, do what you got to do
Do you, do you, do what you got to do
Do you, do you
