

Zion, Thrillseeker

(Rex Scott & David Zaffiro)

Passion breeder women stealer

You've got to feed your lust

Deposit all your life

In the playhouse bank & trust

Here you go again

Will it ever end?

Like a moth to the flame the closer it gets burned in it's own game

Thrillseeker

Falling in deeper and deeper

Thrillseeker

Caught in a web of deceit

Another camera shot below the waist

Another empty soul

It never satisfies it's all a lie

Puts you out of control

It's on the TV now it's in your mind

It's everywhere you look

A hook in your lip that's dragging you down

Maybe you've been took

More! More! More! More!

Can't get enough

It's ggggggg gotch ya' Oh Thrillseeker!

Always hungry but never filled

You've got that look in your eye

Always searchin' but never findin'

Oh your tail's gonna fry!
