

Zita Swoon, Jos Wine Song

Marry marry
Won't you marry
Gotta help me find a
Way to marry
Jojo
You're so contrary
Gotta help me find a

Make me whole
I been apart
I been apart
I been a part of you from the start
You make me whole
You make me whole, yeah
You leave me so
You leave me lonely

And I don't know
If I can go on
Hey, gotta find my way home
But I won't
