

Zoe Girl, Life To Me

Fleeting breath, Frailest flesh
I'm a casualty at best
And so I sink into Your depth
My only place of rest
Where earth and wind, and sky and sea
Could never match Your majesty
From where I stand, I'm crying out
Jesus, You are life to me
The treachery of valleys deep
Has only made me weak
I clothe this flesh with holiness
My only place of rest
Where earth and wind, and sky and sea
Will never match Your majesty
From where I stand, I'm crying out
Jesus, You are life to me
And when I see Your face I'll know
All the pain and tears will go
To the bottom of the sea
You'll forever be holy, holy
Holy...[4x]
Where earth and wind, and sky and sea
Will never match Your majesty
From where I stand, I'm crying out
Jesus, You are life to me
Holy...[8x]
When all is fallen (You are life to me)
When all is broken (You are life to me)
When all is empty (You are life to me)
Life to me, life to me
Life to me...
When I am fallen (You are life to me)
When I am broken (You are life to me)
When I am empty (You are life to me)
Life to me, life to me
Life to me...Life to me...
