

Zoe Girl, Stop Right There

You have never changed your ways
You think that you can own me like a slave
And I want to walk away
But every time I try you're in my face
You say, I could have it all
Trust you, you will never let me fall
And my heart feels bound to your control
But my spirit says, no, no, no
Stop right there
Suddenly temptation's flying
Everywhere
And you think you've got me down
Well think again, I'm not your friend
It's plain to see, I'm not your property
Stop right there
Suddenly temptation's flying
Everywhere
And you think you've got me down
Well think again, I'm not your friend
Don't play with me, I'm not your property
Ring! Brrlp! It's you once again
Begging me to listen to your plan
But you see I've found the truth
'Cause I have been redeemed and so we're through
You say, I could have it all
Trust you, you will never let me fall
I don't have to give into your demands
The power's not in your hands
[CHORUS]
I don't have to do anything you want me to
I don't need you to make me feel like I want more
'Cause God has shown His love is your weakness
He is above and beyond all you can do
[CHORUS (twice)]
