

# Zoe, He said

Just the other day  
I was walking along the bay  
The sun was shining quiet was the sea  
I saw him Standing there  
Good looking yes I swear  
I felt he could be dangerous for me  
And suddenly he came to me - he took my hand and looked at me -  
He swept me of my feet because he said:  
"Hey I love you - I wanna spend the day with you  
I can read a promiss in your eyes"  
He said: "Hey I need you - I wanna spend the night with you  
You're beautiful I wanna make you mine"  
Everything so right  
It was love at first sight  
When he toughed me I had shivers ran down my spine  
Then he kissed my lips  
Sweet so sweet his kiss  
And I learned how to fly  
"Hey I love you...  
Love is so beautiful love is so wonderful and devine to me  
Love is miracle and devine to me  
"Hey I Love you...
