

Zoe, I Want Your Sex

Things that you guess,
things that you know,
boys you can trust,
girls that you don't,
little things you hide,
there's little things that you show,
sometimes you think you're gonna get it,
but you don't and that's just the way it goes.

I swear I won't tease you,
won't tell you no lies,
I don't need no bible,
just look in my eyes,
I've waited so long baby
now that we're friends,
every man's got his patience
and here's where mine ends.

I want your sex,
I want your love,
I want your sex.

I'd really like to try,
I'd really love to know,
when you tell me you're gonna regret it.

I swear I won't tease you,
won't tell you no lies,
I don't need no bible,
just look in my eyes,
I've waited so long baby
out in the cold,
I can't take much more
'cause I'm losing control.

I want your sex,
I want your love,
I want your sex.

It's natural,
it's chemical,
it's logical,
it's habitual.

It's natural,
it's chemical,
it's logical,
it's habitual.

Natural.
Chemical.
Logical.
Habitual.
