

Zoe, She Comes

She comes in fire,
she comes in the rain,
she comes whenever feeling down,
she comes again.

She comes in fire,
she comes in the rain,
she comes whenever feeling down,
she comes again.

She comes in fire,
she comes in the rain,
she comes whenever feeling down,
she comes again.

Uh, she's coming on the light side,
uh, she's coming along with silence.

Uh, she's coming on the light side,
yes, uh, she's coming along with silence.

Uh, she's coming on the light side,
yes, uh, she's coming along with silence.

She comes in fire,
she comes in fire.

She comes in fire,
she comes in the rain,
she comes in fire,
she comes in the rain,
she comes in fire,
she comes in the rain,
she comes in fire.

She comes in fire,
she comes in the rain,
she comes in fire,
she comes in the rain,
she comes in fire,
she comes in the rain,
she comes in fire.
