

Zoe, Sunshine on a rainy day

I see you in the darkness
I see you in light
I see your eyes shining
In through the night
Make me feel, make me feel
Like I belong
Don't leave me, you won't leave me here
All alone
Cast your eyes
Like summer skies
Bluer than the ocean
Clearer than the sky - yeah
Chorus:
Sunshine on a rainy day
Makes my soul, makes my soul
Drip, drip, drip away
Sunshine on a rainy day
Makes my soul, makes my soul
Drip, drip, drip away
You touch me with your spirit
You touch me with your heart
You touch me in the darkness
I feel it start
Make it feel, make it feel
So unreal, so unreal
Like a wind in the desert
Like a moon in the sky
Chorus
Make it feel, make it feel
So unreal, so unreal
Like a wind in the desert
Like a moon in the sky
Chorus
