

# Zoe Wees, Don't Give Up

Don't give up, no no  
Don't give up, no no  
Don't give up, no no

Do you ever feel like the tear drops  
Just won't dry  
(They just won't dry, they just won't dry)  
Smiling in a crowd  
When all you wanna do is cry  
(You wanna cry, you wanna cry)

Do you ever feel  
Do you ever feel alone?  
Do you ever feel  
Like there's just nowhere to go?

When the world turns upside down  
And you're falling to the ground  
And the oceans in the sky  
Got you feeling low  
When the world turns upside down  
And you're falling to the ground  
And the oceans in the sky  
Don't give up, no no!

Don't give up, no no  
Don't give up, no no  
Don't give up, no no  
Don't you give up, no no no

Don't give up, no no  
Don't give up, no no  
Don't give up, no no  
Don't you give up, no no no

Dancing with the sun  
But there's thunder in your mind  
(Thunder in your mind, thunder in your mind)  
You're gonna be okay  
I know it's hard  
But you'll survive  
(You will survive)  
Do you ever feel  
Do you ever feel alone?

When the world turns upside down  
And you're falling to the ground  
And the oceans in the sky  
Got you feeling low  
When the world turns upside down  
And you're falling to the ground  
And the oceans in the sky  
Don't give up, no no!

Don't give up, no no  
Don't give up, no no  
Don't give up, no no  
Don't you give up, no no no  
Don't give up, no no  
Don't give up, no no  
Don't give up, no no  
Don't you give up, no no no

Keep running through the clouds

You're gonna make it out  
You're gonna make it out  
You'll keep flying

When the world turns upside down  
And you're falling to the ground  
And the oceans in the sky  
Don't give up, no no!

Don't give up, no no  
Don't give up, no no  
Don't give up, no no  
Don't you give up, no no no

Don't give up, no no  
Don't give up, no no  
Don't give up, no no  
Don't you give up, no no no
