

# ZOEgirl, Here And Now

Here and now  
And now and now  
And now and now  
And now and now  
And now and now

Here and now  
And now and now  
And now and now  
And now and now

Here I am, you made it all so clear  
I understand, I am just a stranger here  
I leave it all behind  
All that's left is gone  
And I know about my mind  
Straight into your arms

Here and now we will stand with one voice hand in hand  
We will never back down, we will never give in  
Here and now we will sing with one voice and we bring  
Our life as an offering we bring you everything
