

ZOEgirl, Living For You [the Ghost Mix] - Grits

There was a time when I'd believe in anything but you,
I closed my eyes and let You in,
Ready to let my life begin,
It just hit me, couldn't ignore it,
Heard your voice calling, now I know it!

I wanna see Your face,
I wanna speak Your name,
I wanna tell the whole world how my life has changed,
I'm gonna lift my voice,
Ever to sing Your praise,
As long as I'm alive know that I
I'm living for You.

Lord, here I stand before You now,
I want to give You everything,
No matter what may come my way,
You give me a smile they can't take away.
Holding onto all You brought me though,
You're the strength that I'll always cling to!

I wanna see Your face,
I wanna speak Your name,
I wanna tell the whole world how my life has changed,
I'm gonna lift my voice,
Ever to sing Your praise,
As long as I'm alive know that I
I'm living for You.

Some may question what is right,
In my heart I can't deny,
Once I was blind but now I see,
You have my soul and I am Your for eternity!

Oh, Lord, I wanna see Your face,
I always wanna sing Your praise,
I wanna be the first to say,
Forever I'm living for only You!

I wanna see Your face,
I wanna speak Your name,
I wanna tell the whole world how my life has changed,
I'm gonna lift my voice,
Ever to sing Your praise,
As long as I'm alive know that I
I'm living for You.

I wanna see Your face,
I wanna speak Your name,
I wanna tell the whole world how my life has changed,
I'm gonna lift my voice,
Ever to sing Your praise,
As long as I'm alive know that I
I'm living for You.
