

Zoetrope, Promiscuity

Escort take your time to crawl into a life so low
Slut you're still the same but you work too hard to take no blame
And we all know you'll never change
So why don't you just play the game

CHORUS:

Don't try to think up some excuse or try to recreate the truth
Loser it's your bad life story. Loser what are you gonna do
Loser you take scum for glory but in the end the slut gets you

Playing top man all the time while in real life you fall behind
And in your mind you know the story no one tells you what to do
And you don't take shit from nobody
Wasting time doin lines, wasting money

CHORUS

Safety sex means you can come if you're using condoms all the time
You think you've got the answers to all the questions
But behind that face is an empty mind
And we all know that life's a game and sluts are worthless weak and lame

CHORUS
