

Zolita, 20 Questions

Baby I wanna take you out
Something I wanna ask about
Go put on your nice dress, hope you like surprises
I picked the spot where we first met
Got you your favorite glass of red
I forgot to mention I got 20 questions

Was she sweet, did you cry
Was it everything you wanted
Was she drunk
Were you high
Did you fuck her in the closet
Did she say I love you
Like the way I used to

Was it quick, was it long
Did you do it how I like it
With the lights kinda on
Was she loud or was she quiet
Did she say I love you
Like the way I used to
I got 20 questions for you

You got a sick look on your face
I get off watching you
Get so defensive
No use in pretending
I got my confession
You were just a lesson
I gave you my best and
You just gave me questions

Was she sweet, did you cry
Was it everything you wanted
Was she drunk
Were you high
Did you fuck her in the closet
Did she say I love you
Like the way I used to

Was it quick, was it long
Did you do it how I like it

Was she loud or was she quiet
Did she say I love you
Like the way I used to
I got 20 questions for you

When she smiles do you die
Did you take her to that spot we used to go
Late at night
Did you memorize her body
Does she know I love you
I hate that I do
