

# Zombie Girl, I Want It

I, i have this need  
I need to see you bleed  
I need to taste your brain  
Oh god it drives me insane  
Come, come over here my dear  
Theres nothing for you to fear  
I need a little piece of your head  
So you too can be among the living dead  
You know i need it  
You know i feel it  
You know i want it  
Some fresh blood and flesh  
Please forgive for me wrong  
My desire is umm so strong  
I can not help it i have to obey  
You know i'll eat you if you choose to stay  
Cause i'm an angel  
Cause i'm am a devil  
Cause i am a lost soul  
Feeding off your flesh and blood  
You are my angel  
You are my lost soul  
You are the one i need to kill my desire to feed  
You know i need it  
You know i feel it  
You know i want it  
Some fresh blood and flesh  
Cause i'm a girl  
I am a zombie  
I am a girl  
I am a zombie  
I am a girl  
I am a zombie  
I am a girl  
I am a zombie girl  
You know i need it  
You know i feel it  
You know i want it  
Some fresh blood and flesh
