

Zombie Girl, Jesus Was A Zombie (Mortiis Version)

Jesus was a zombie
Jesus was a zombie, yeah
Jesus was a zombie
Back from the dead just like me

He is dead, but he's walking
Walking just like you and me
He came back and he's talking
Talking shit like you and me
We are the same,
Mr. Jesus and I
A testament of the living dead
Famous singer, it's all the same
He was dead, yet back he came

Jesus was a zombie
Jesus was a zombie, yeah
Jesus was a zombie
Back from the dead just like me

He got nailed, nailed to a cross
Paid the price for his glorified cause
I cannot blame him for coming back to life
It's much more fun in the afterlife

I can feel him lurking in dark
I can hear him walking in the shadows
It's not simple getting use to the slushies
I will guide him, through the fields of disposable heads
Through the fields of disposable heads
Through the fields of disposable heads

(3x)
Jesus was a zombie
Jesus was a zombie, yeah
Jesus was a zombie
Back from the dead just like me
