

# Zombina And The Skeletones, The Fragile Heart

Allow me to introduce my friend  
She never fitted in too well  
No one knows what happened in the end  
One moment of heaven for a lifetime of hell

Please...don't...break...my...fragile heart  
Please...don't...break...my...fragile heart  
Please...don't...break...my...fragile heart  
Please...don't...break...my...fragile heart
