Zonata, Criticized

You always see the bad in me You always judge before You're thinking

I always do my best to please I am a servant of Your desires

Please listen to this song that I have wrote for You my friend Hope that You like the lyrics that I've wrote for You this time, this time

People do always criticize Things they do not understand

I've got a message to all of You Please listen careful what You should do now

Please listen to this song that I have wrote for You my friend Hope that You like the lyrics that I've wrote for You this time, this time

I was raised so heavenly My Brothers stood beside of me If You decide to follow me There is Kingdom for You to see

You always see the bad in me You always judge before You're thinking

I always do my best to please I am a servant of Your desires

Please listen to this song that I have wrote for You my friend Hope that You like the lyrics that I've wrote for You this time, this time

I was raised so heavenly My Brothers stood beside of me If You decide to follow me There is Kingdom for You to see

I was raised so heavenly My Brothers stood beside of me If You decide to follow me There is Kingdom for You to see

I was raised so heavenly My Brothers stood beside of me If You decide to follow me There is Kingdom for You to see My friend
